OVERVIEW

Beach & Beyond is our flagship highly rated all-you-can-eat beach vacation experience cherished by families from all over the world since 2019.

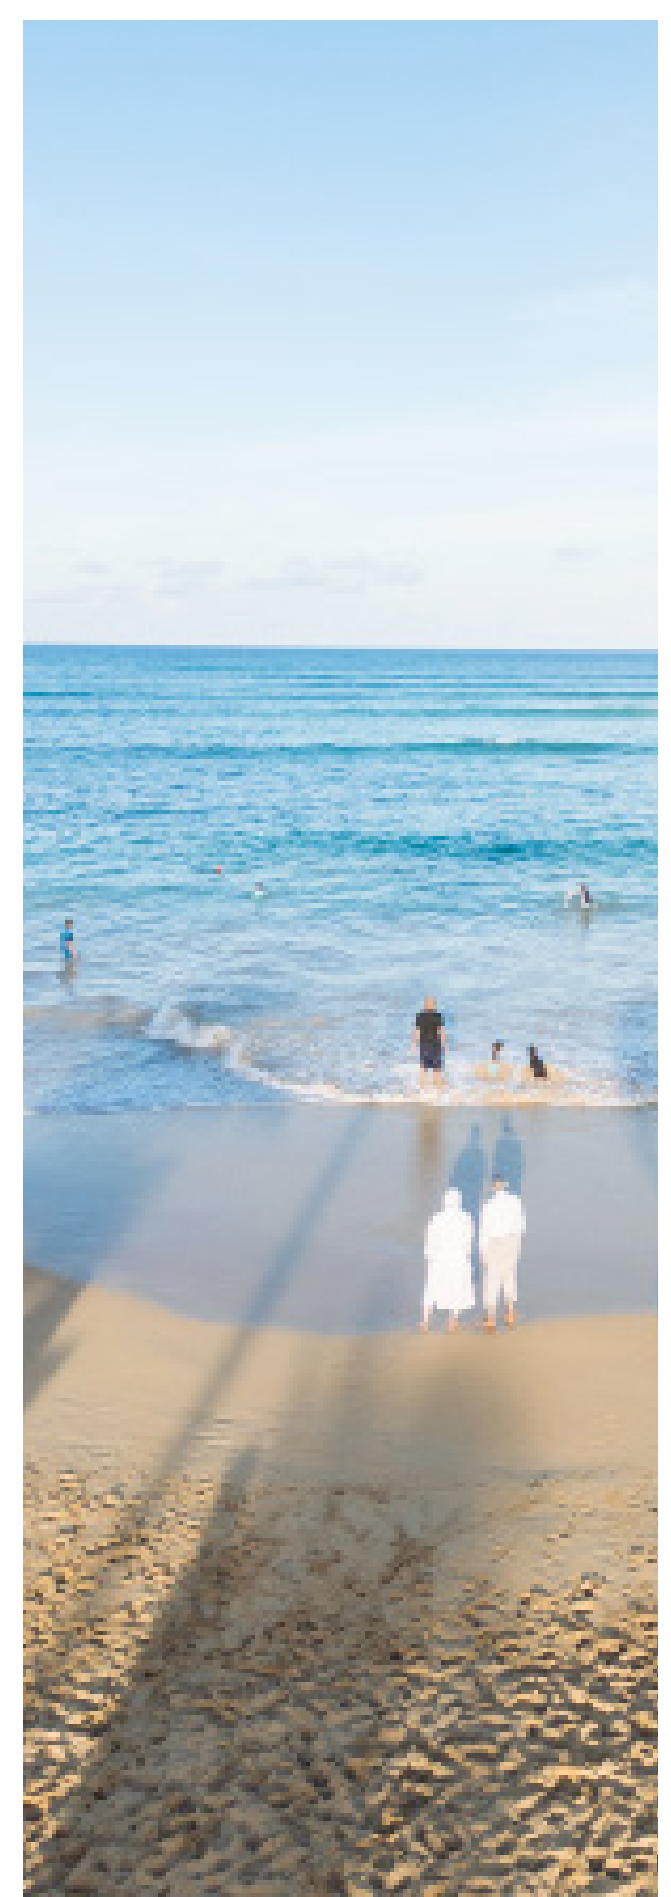

Beach & Beyond takes place when we secure an entire resort exclusively for Husna Guests on select dates. This allows Husna Vacations to transform the standard resort experience into an Exclusive Husna Vacation Experience, featuring all-you-can-eat 100% halal menus.

A vacation for all ages.

Customized itineraries offer selections and adventures for all ages, ensuring a memorable experience filled with comfort, relaxation, activities, performances, competitions, excursions, prayers, and more.

This year we have booked out the entire Nickelodeon Punta Cana Beach Resort (highly rated) for five nights: December 18 - 23, 2025 for the third year running (our eighth resort takeover in eight years).

We can confidently say that there is no vacation on this planet that gives you more.

Whether you're a parent seeking relaxation, a teen craving excitement, or a grandparent eager to bond with loved ones, there's something here for everyone.

Delight in exotic mocktails and 100% halal menus available at all restaurants, ensuring a satisfying halal dining experience.

Nickelodeon Punta Cana offers a great experience with ten room categories. Each room features a stocked mini-fridge and 24-hour room service.

Entertainment options include a waterpark, kids club, outdoor sports, competitions, performances, talk shows, giveaways, and more. And of course our guests could not get enough of the beach and the world-class spa experience.

Every year Beach & Beyond books out months before departure as past families end up returning with more family and more friends.

If your party is smaller, a "Minimum Room Reserve Price" may apply, but this won't affect most of our guests! This price adjustment will fluctuate according to the number of people in your party and ensures everyone enjoys a comfortable stay. In other words, each room has a minimum booking requirement. This means your room's amenities (towels, chairs, bedding, etc.) will be fully stocked to comfortably accommodate everyone up to the standard occupancy.

ACCOMMODATIONS

Nickelodeon Punta Cana Resort is spread out over 9 buildings, equipped with elevators spanning 3 floors each.

All rooms come with either 1 king bed or 2 queen beds, plus a sofa bed and private balcony. Rollaway, cribs, and playpens are available at no extra charge. Enjoy 24-hour room service, rain showers, double sinks, spacious bathrooms, and a stocked mini-fridge in all rooms.

Notes about accommodation types:

- Rooms with 2 queen beds: Limited availability, mostly in connecting setups - featuring one king bed and two queen beds.
- Rooms with pools: Dive into the unique swim-up concept on all ground floor rooms, with shared waterways and walkout terraces.
- Minimum 2 persons per room, maximum 5 (some allow 6 persons)
- Maximum 3 adults per room
- Connecting rooms for families of 6+ persons

If our large family requires connecting rooms and none are available, what should we do?

Not to worry. Just book the number of rooms you need in the **same category** and mention in the notes that you'd like them to be next to each other. While it's not guaranteed, we can usually make it work as long as the rooms are in the same category.

If you have young children and cannot be accommodated in two separate rooms, please contact **Brother Asif** (asif@husna.com), who will assist you in finding the best available options.

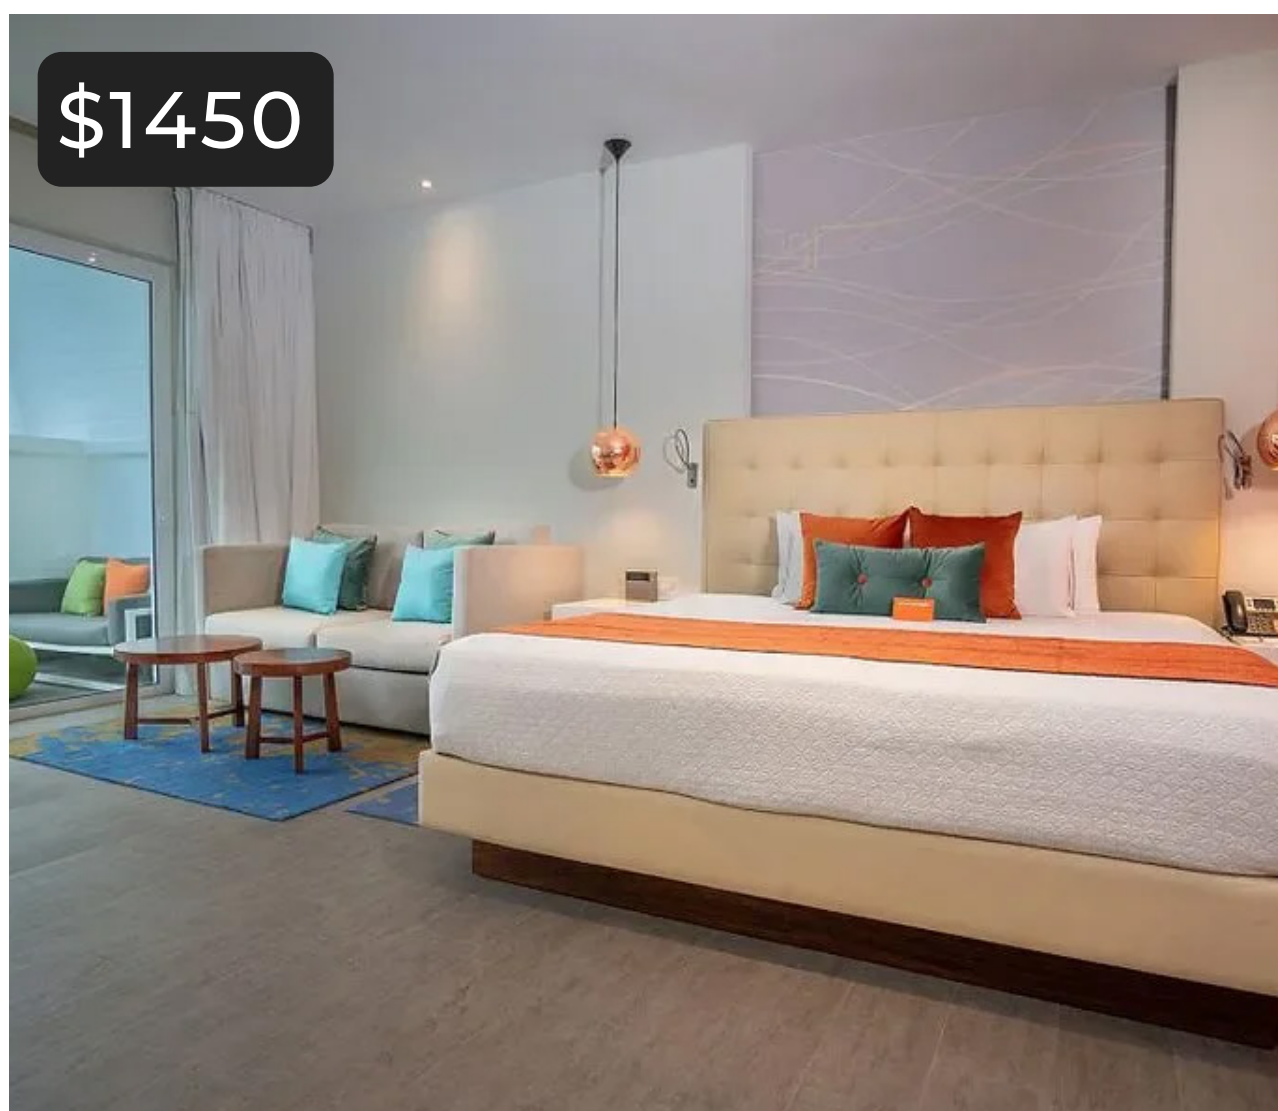

We are a large group of friends and wish to stay together. How can we arrange this?

No problem at all. Husna's Beach & Beyond is an ideal setting for family reunions and large gatherings. **As long as the room categories are the same**, we are more than happy to assign rooms for large parties together or in close proximity to each other.

VISA

Residents of the USA and Canada enjoy visa-free entry.

Non-residents and those from other countries should consult their local travel agent for travel requirements.

Additionally, all guests must complete the Dominican Republic E-Ticket before arrival. Don't worry, it's a straightforward process. We'll guide you through it closer to your travel date once you've made your booking.

ARRIVAL AIRPORT

Punta Cana International Airport (PUJ)

FLIGHTS

To ensure a smooth experience, all guests are responsible for booking their flights to PUJ, ***as flights are not included in the rates***. We recommend arriving between 4pm and 6pm for optimal check-in timing, as rooms will be available from 4pm to 6pm.

Google Flights

Use Google Flights to monitor your flights. By setting up flight alerts, you can stay informed about any changes in prices or schedules for your desired routes.

This allows you to make more informed decisions and potentially save money on your travel expenses.

AIRPORT TRANSFERS

Enjoy seamless transportation with round-trip transfers offered at approximately \$35 per person, provided by a dedicated accredited provider (not by taxi). Once you register, we'll send you the link to arrange your transfers.

CHECK-IN

Check-in is at 4:00 PM.

For those arriving early, take advantage of complete access to all resort amenities, including buffets, restaurants, pools, beaches, and the water park while awaiting room availability.

However, please keep in mind that while you are welcome to enjoy the resort facilities upon early arrival, your room may not be ready until anytime between 4pm and 6pm.

This delay might pose an inconvenience, especially after a long day of travel, particularly for families with children and elderly guests.

CHECK-OUT

Check-out is at 12:00 PM.

Following your checkout, enjoy the resort's amenities until your departure time. Grab a bite to eat, unwind by the pools, take leisurely strolls along the beaches, and enjoy the water park until it's time to say goodbye.

Please ensure all incidentals are settled before checkout.

EARLY ARRIVALS & LATE DEPARTURES

Many guests prefer arriving before December 18th and departing after December 23rd.

Securing Early Arrival/Late Departure (EALD) is easy. After booking, you'll receive an email with instructions. Early arrival is usually more popular and cost-effective than late departure this year.

To ensure your room type is available, secure your EALD by July 31, 2025, to avoid switching rooms during your stay which can take more than half a day.

Key points for EALD

- **Booking Deadline:** Make sure to book your extra days by July 31.
- **Halal Options:** Halal options will be available for extra days.
- **Resort Operations:** Regular resort services, including alcohol and non-halal menus, will continue during the extra days.

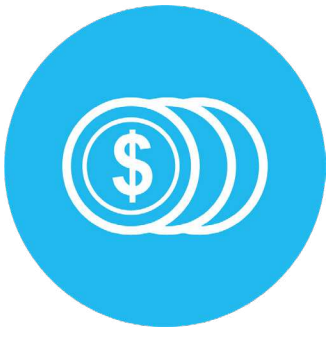

EXCURSIONS & LOCAL CULTURAL EXPERIENCES

Most guests at Beach & Beyond enjoy planning local excursions and immersing themselves in Dominican culture. We are excited to offer exclusive customized excursions for Husna guests, such as the Catamaran & Cenote Experience and the Husna-Only Dolphin Experience.

Additionally, we've partnered with BRX to provide the best local excursions. We've personally tested and experienced several of these activities to ensure they meet our standards. Once you book, we'll share our top recommendations.

Usually this can be purchased after you secure your booking with Husna Vacations (Husna LLC).
